The **Simple Way** to **Present** and **Share**

A BYOD collaboration device that provides simple and easy screen sharing from any device with brilliant Ultra High Definition 4K picture quality!

SimpliShare™

The SimpliShare™ SSH-4000W Wireless Presentation System is a BYOD collaboration device that provides simple and easy screen sharing from any device with brilliant Ultra High Definition 4K picture quality!

**UHD 4K60
(4:4:4) Resolution**

**Perfect for Huddle Spaces
and Meeting Rooms**

**3 Level Security for
a Safe Sharing Space**

**Stand-Alone Network
No I.T. Setup Neccessary**

Makes BYOD Wireless Sharing Simple and Easy – No I.T. Necessary

Finally, a simple and easy to use BYOD sharing device that makes sharing as quick and easy as 1,2,3 at a price everyone can afford. The SimpliShare™ SSH-4000W makes sharing and presenting easy by not being tied to dongles, no connection headaches and best of all, no I.T. necessary! Simply download the SimpliShare™ App, connect and share.

A Stand-Alone in Room Network Makes Sharing Simple

The SimpliShare™ SSH-4000W Wireless Presentation System can provide a unique in room segmented Wi-Fi network so that guest users can connect without having your company network compromised or getting I.T. involved.

Share from Any Device Including PC, Mac®, iOS™ and Android™ Devices

The SimpliShare™ SSH-4000W is fully compatible with Windows® and macOS® X computers, as well as Apple® iOS™ and Android™ mobile devices that offer users a wide range of mirroring solutions to easily collaborate with others. Supports AirPlay® for Apple® iPhone®, iPad® and MacBook®.

Perfect for Huddle Spaces, Meeting Rooms and Conference Rooms

Comprehensive's SimpliShare™ is the perfect solution for BYOD content sharing in huddle spaces, small to medium sized meeting rooms, conference rooms and anything in between.

Up to 4K60 Resolution Means Brilliant, Beautiful Collaboration

The SimpliShare™ SSH-4000W doesn't just share your content, it shares it in style with up to Ultra High Definition 4K@60Hz resolution. This ensures that your content and you always look your best.

NEW

Features

- Supports up to 14 connected devices simultaneous wirelessly
- Three (3) level Security for a safe sharing space
- Provides its own standalone in room wireless network and access point
- Moderator control can select a user from the preview window to present and take control
- White board and annotation functionality for interactive touch displays
- Up to 4K@60Hz HDMI input and output resolution
- Supports both wireless and wired input connections
- Supports 2x1 auto switching and scaler functionality (wireless & wired connections)
- Share from all BYOD devices including Windows®, macOS®, Apple® iOS™ and Android™ operating systems
- Supports AirPlay® for Apple® iPhone®, iPad® and MacBook®
- Share any content including presentations, documents, photos, videos and music
- Ultra low latency provides a continuously smooth picture
- Supports POE (802.3af)
- 3 Year Warranty
