Comprehensive®
Connectivity Company

Designed for the needs of the AV/IT Tech Specialist

Pro AV/IT Specialist Series™ Cables are a new middle tier series of commercial cables designed for the professional AV/IT Tech Specialist. Specialist Series™ cables are the perfect blend of performance, reliability, and value for almost every day-to-day commercial AV/IT need.

Perfect for Higher Education, K12 Schools, Corporate and more!

Pro AV/IT Specialist Series™ High Speed 4K60 HDMI Cables up to 15ft

Comprehensive's Specialist Series™ HDMI Cable delivers full UltraHD 4K@60Hz 4:4:4 chroma sampling and 18Gbps bandwidth rating. They also have included bi-directional Ethernet capability built in for networking applications without having to use additional wires. Our HDMI 4K Specialist cables are backward compatible with previous HDMI 1.4, 1.3 & 1.2 versions.

Features

• Designed for on-site AV/IT use and light integration in higher ed, K12, SMB and commercial environments
• Up to 2X more durable and reliable than standard cables
• Full UltraHD 4K@60Hz 4:4:4 chroma sampling and 18Gbps bandwidth rating (End to End)
• Ethernet Capable
• Supports Deep Color and x.v.Color
• Supports High Dynamic Range (HDR)
• Simultaneous delivery of dual video streams to multiple users on the same screen
• Durable aluminum alloy connector shell
• Backward compatible with previous HDMI 1.4, 1.3 & 1.2 versions
• Lifetime Warranty

4 Port USB 3.0 Device Sharing Switcher

Comprehensive's CSW-USB3402S allows 2 host computers to share 4 USB 3.0/2.0 devices. It supports ultra-fast USB 3.0 data transfer rates of up to 5Gbps, and easily switches between 2 host computers via push buttons with LED indicating the active computer without constantly swapping cables or setting up complicated network sharing software. It's also plug-n-play compatible, so no additional driver installation is needed. This unit is USB bus-powered, with no power adapter required. The CSW-USB3402S allows super speed USB 3.0 data transfer, with a maximum transmission speed of up to 5Gbps, fast enough to transfer a full HD movie in just seconds.

NEW

Features
- Switch between two USB Hosts to work with four USB 3.0 peripheral devices
- Supports super speed USB 3.0 data transfer rates up to 5Gbps
- Backward compatible with USB 2.0 and USB 1.1 devices
- One button, simple switching with LED indicators
- Plug and play, no additional power supply required
- Durable Metal Enclosure
- 3 Year Warranty

CSW-USB3402S

USB 3.0 Switching   5Gbps   Conferencing Support   Durable   3 Year Warranty

The **Simple Way** to **Present** and **Share**

A BYOD collaboration device that provides simple and easy screen sharing from any device with brilliant Ultra High Definition 4K picture quality!

SimpliShare™

The SimpliShare™ SSH-4000W Wireless Presentation System is a BYOD collaboration device that provides simple and easy screen sharing from any device with brilliant Ultra High Definition 4K picture quality!

UHD 4K60 (4:4:4) Resolution

Perfect for Huddle Spaces and Meeting Rooms

3 Level Security for a Safe Sharing Space

Stand-Alone Network No I.T. Setup Neccessary

Features

- Supports up to 14 connected devices simultaneous wirelessly
- Three (3) level Security for a safe sharing space
- Provides its own standalone in room wireless network and access point
- Moderator control can select a user from the preview window to present and take control
- White board and annotation functionality for interactive touch displays
- Up to 4K@60Hz HDMI input and output resolution
- Supports both wireless and wired input connections
- Supports 2x1 auto switching and scaler functionality (wireless & wired connections)
- Share from all BYOD devices including Windows®, macOS®, Apple® iOS™ and Android™ operating systems
- Supports AirPlay® for Apple® iPhone®, iPad® and MacBook®
- Share any content including presentations, documents, photos, videos and music
- Ultra low latency provides a continuously smooth picture
- Supports POE (802.3af)
- 3 Year Warranty

SSH-4000W

3 YEAR Warranty

Makes BYOD Wireless Sharing Simple and Easy – No I.T. Necessary
Finally, a simple and easy to use BYOD sharing device that makes sharing as quick and easy as 1,2,3 at a price everyone can afford. The SimpliShare™ SSH-4000W makes sharing and presenting easy by not being tied to dongles, no connection headaches and best of all, no I.T. necessary! Simply download the SimpliShare™ App, connect and share.

A Stand-Alone in Room Network Makes Sharing Simple
The SimpliShare™ SSH-4000W Wireless Presentation System can provide a unique in room segmented Wi-Fi network so that guest users can connect without having your company network compromised or getting I.T. involved.

Share from Any Device Including PC, Mac®, iOS™ and Android™ Devices
The SimpliShare™ SSH-4000W is fully compatible with Windows® and macOS® X computers, as well as Apple® iOS™ and Android™ mobile devices that offer users a wide range of mirroring solutions to easily collaborate with others. Supports AirPlay® for Apple® iPhone®, iPad® and MacBook®.

Perfect for Huddle Spaces, Meeting Rooms and Conference Rooms
Comprehensive's SimpliShare™ is the perfect solution for BYOD content sharing in huddle spaces, small to medium sized meeting rooms, conference rooms and anything in between.

Up to 4K60 Resolution Means Brilliant, Beautiful Collaboration
The SimpliShare™ SSH-4000W doesn't just share your content, it shares it in style with up to Ultra High Definition 4K@60Hz resolution. This ensures that your content and you always look your best.

Simply share your BYOD content from any device to a main external screen quickly and easily!
