Pro AV/IT Integrator Series™ USB Cables

Cable Assemblies designed and engineered with premium components specifically for the toughest and most demanding applications AV/IT systems integrators face every day.

Certified Pro AV/IT Premium Commercial Grade Construction

All of our Pro AV/IT Integrator Series™ USB Cables are built to last and utilize the finest materials and workmanship to ensure they stand up to the demands of commercial environments everytime, all the time.

State of the Art Performance

Pro AV/IT Integrator Series™ USB Cables are designed to deliver state-of-the-art performance in every cable. Every Integrator Series™ cable is meticulously manufactured to give you the best resolution and the fastest data speeds all in the most durable and trustworthy cables anywhere.

World Class Durability and Reliability

Integrator Series™ USB Cables are up to 5X more durable on average than standard cables. They are built and tested to endure the demanding environments of commercial systems integration. Since 1974, they are the most reliable cables money can buy.

Type C and SureLength™ Indicators

Type C connectors are included on many Integrator Series™ configurations and only Comprehensive Pro AV/IT Integrator Series™ cables offer SureLength™ cable length indicators right on the cable head!

True 4K Video AV Transmission and SuperSpeed 10Gbps Data Transfer

USB 10G Cables support full 4K@60Hz video with DisplayPort 1.2 alt mode. Just connect your laptop to a display monitor (with a USB-C port) to get true 4K quality video. Integrator Series™ USB 10G Cables also support data speeds up to 10 Gbps.

Peace of Mind Comes Standard

Value is knowing a product you buy today will work for you tomorrow and in the years to come-and in our case, a lifetime. Since 1974, Comprehensive has been making the most reliable and dependable Pro AV/IT cables on the planet for our integrator and professional customers.

Integrator Series™ 10G USB Cables

Pro AV/IT Integrator Series™ Certified Ultra-Flexible USB 3.2 Gen2 10G C Male AV and Data Cables up to 15ft

Comprehensive's Pro AV/IT Integrator Series™ USB 3.1 (3.2 Gen 2) 10G AV and Data Cables are specifically designed for AV signal transmission and the demanding applications of Systems Integration.
