

# The Best Integration HDMI Cable Ever Built - Now in 8K!

**8K 48GB** **HDMI™** **Pro Grip®** **HDR** **DOLBY®** **HDCP** **Sure Length™**

Comprehensive's MicroFlex™ Pro AV/IT Integrator Series™ Certified Ultra High Speed 8K 48G HDMI Cables are simply the most capable, flexible and reliable cable we have ever designed. We combined cutting edge performance, ultra-flexibility, unsurpassed reliability, and exclusive features such as ProGrip™ and SureLength™ all in a low-profile cable that brings you every pixel and decibel 8K has to offer!

## Tapered Micro Head with Ultra-Flexibility-Perfect for Tight Spaces

MicroFlex™ 8K HDMI Cables feature a low-profile design and un-heard of flexibility that make them perfect for tight spaces. All of these features are included in a cable with a connector head and O.D. that is up to 40% smaller than traditional HDMI cables.

## State-of-the-Art Performance with 8K Resolution, Dynamic HDR & Dolby Atmos Audio

With 4x the pixels of 4K and 16x the pixels of 1080p, 8K has to be seen to be believed! Comprehensive's MicroFlex™ 8K HDMI Cables deliver every bit of Ultra HD 8K resolution! Included are support for HDR, Deep Color, 21:9 aspect ratio, up to 32 audio channels with eARC and Dolby Atmos.

### ProGrip™ Connectors Ensure Cables Stay Connected

The number one complaint about HDMI has been its inability to stay connected. So, Comprehensive developed our exclusive ProGrip™ HDMI connector which features up to 16lbs of retention force.

### SureLength™ Indicators Make Cable Sorting Easy

Only Comprehensive offers SureLength™ cable length indicators that clearly indicate the length of each cable on the connector mold - huge time savers for integrators and installers who are constantly sorting out lengths.

#### SureLength™ Indicators

Cable lengths are clearly indicated on the connector heads, making it easy to organize for installations.

#### 8K Certified Performance

ATC Certified to ensure Ultra High Resolution 8K performance.

#### Premium Commercial Grade Construction

Built with premium components to withstand the most challenging integration environments.

#### ProGrip™ Connectors

Up to 16lbs of retention force keep connectors in place and systems online.

#### Low-Profile Connector Heads

Perfect for use in tight spaces including surface access boxes, equipment racks and behind flat panels where space is limited.

#### Ultra-Flexible Jacket

Un-heard of flexibility with an O.D. that is up to 40% smaller than traditional HDMI cables.

### Multiple Colors for Easy Identification

Keeping track of all of your cable inputs and outputs with write-on labels is a time-consuming chore that slows down productivity. MicroFlex™ HDMI Cables offer color flexibility that allows you to color code all your HDMI connectivity.

### Peace of Mind Comes Standard

Value is knowing a product you buy today will work tomorrow and in the years to come. Since 1974, Comprehensive has been making the most reliable and dependable Pro AV/IT cables on the planet.
